

Christmas Coloring Page

Color the door first! 

Little Bunny whispers...

"The Lazy Dragon fell asleep before Christmas. Again. So I put the hat on him. Don't tell him."

1 coloring page · Ages 4-10

The Lazy Dragon has a Santa hat, a long winter nap and a smile. One big, cozy page to color – and nothing scary at all.

How to print: Regular paper, single-sided, 100 % / "actual size". Crayons and colored pencils work best. Ages 4-10.
